SUMMARY

Highly driven Computer Science student with a strong problem-solving mindset, eager to learn, innovate, and contribute to dynamic projects. Skilled in coding, development-oriented solutions, and collaborative teamwork.

WORK EXPERIENCE

MERN Stack | Grras Solution Pvt. Ltd · Internship

Jun 2024 - Jul 2024

- Created **mobile-responsive UI** with React, built RESTful APIs with Node.js and Express.js, and managed databases with MongoDB for powerful **full-stack applications** using the **MERN stack**.
- Worked in GitHub with **Git** for version control, deployed projects through **Vercel**, and modified applications for better performance for an enhanced user experience.

SELECTED PROJECTS

GLORY | [Link](#)

- Created a versatile **E-Commerce platform for women's clothing** with the use of ReactJS, Redux, and Axios that stands out for: ease of use, managed real-time inventory, and secure **Stripe API** integration for payments.
- Database optimization, full responsiveness, enhanced filtering/search capability, and superior API interaction techniques contribute to a pleasant experience for the customer.

TECHTROVE | [Link](#)

- Created a **full-scale AI Tool Showcase Application** using the **MERN stack**, which enables a user interface for a variety of AI tools while making the user interface interactive.
- It has a very solid **contribution system** with an **admin-reviewed process** and footer recognition for contributors-exhibiting great web development skills for high user engagement.

TECHNICAL SKILLS

- **Web Development Technologies:** HTML, CSS, JavaScript, React, Tailwind CSS, Node.js, Express.js, MongoDB
- **Programming Languages:** Python
- **Frameworks:** Django, Next.js
- **Tools & Platforms:** Git, GitHub, Vercel

ACADEMIC DETAILS

- **Bachelors in Computer Applications**
Sangam University, Bhilwara

2022-2025

CERTIFICATION

- **RHCSA** - RedHat, Jaipur
- **Python For Data Science** - NPTEL Online
- **Google UI/UX Design** - Coursera Online
- **MERN Stack** - GRRAS Solutions Pvt. Ltd., Jaipur
- **Introduction to Programming in C** - NPTEL Online
- **Database Management System** - NPTEL Online

ACHIEVEMENTS

- **Participated in the Hackverse'24** - Tula's Institute, Dehradun
- **Participated in the HackerRank** - MLV Textile and Engineering College, Bhilwara
- **Led the student coordinating committee for the Engineering Day Event** - Sangam University, Bhilwara
